PRIND4X PowaRack® Industrial Shelving Extension

Data sheet
Issue Date:
November 2026

Engineered for extreme strength, the PowaRack Industrial 4-Shelf Extension Unit (PRIND4X) delivers heavy-duty modular expansion for demanding trade environments. Designed to clip seamlessly onto an existing run, it provides the same robust storage capacity to scale your workspace efficiently in warehouses, factories, and site storage as the PRIND4.

Features

Single Shelf Load Capacity:	544kg UDL (Uniformly Distributed Load)
Total Unit Load Capacity:	2,176kg
Dimensions (W × H × D):	1955mm × 1830mm × 610mm
Number of Shelves:	Four
Material & Finish:	Powder Coated Steel (with wire mesh decks)

Benefits

- Speedy assembly using rubber hammer
- Adjustable shelf height
- Industrial spec strength
- Seamlessly extends existing PRIND4 shelving runs
- Ideal Applications & Environments: Industrial warehouses & distribution centres, Factories and manufacturing plants, Fleet maintenance garages, Construction sites, secure containers, Engineering Workshops

Safety & Compliance Precautions

- Load Limits: Do not exceed stated single-shelf (544kg) or total unit (2,176kg) load capacities.
- Installation: Ensure the unit is correctly assembled and positioned on a flat, level floor.
- Environment: Designed for indoor, commercial dry-use.
